1. I agree to supply the Young Rider coaching staff and coordinators with a copy of my proposed competition schedule leading up to 2022 YREC (this allows the Area VIII staff to become more familiar with you, your horse, and your current progress).
2. I understand that this is a team competition and there are activities prior to the competition where I may be required to contest a preparation event to demonstrate readiness and preparedness leading up to YREC. This may also include attendance at horse trials, camps, clinics, and training sessions.

4. I agree to sign the Code of Conduct and Waiver of Liability and abide by them.

CODE OF CONDUCT

As an Area VIII Young Rider and possible NAJYRC participant, I acknowledge my obligation to uphold and adhere to the highest standards of horsemanship, sportsmanship, and citizenship whenever I am representing both Area VIII and its Young Rider Program whether at my local horse trials, at horse trials anywhere in the United States or abroad, whether as a team member, individual competitor, or horse owner, and whether during actual competition or other related events such as selection trials, training sessions, clinics, camps, etc.

As a horseman, I will place my horse's welfare above all other considerations and faithfully observe both the USEF and the FEI Codes of Conduct, as well as this Area VIII Code of Conduct and the Guidelines and Rules for Area VIII Young Riders for NAJYRC Qualification and Participation.

As a sportsman, I will know and comply with this Code of Conduct and the Guidelines and Rules for Area VIII Young Riders for NAJYRC Qualification and Participation, as well as with the USEF as my National Governing Body and the FEI as the International Governing Body, and honor the principles of fair play inherent in them. I will place the interests of the team above my own, and respect the decisions of its duly appointed/elected officials, selectors, coaches, chef d'equipe, team veterinarians, and coordinators made in the Area VIII Young Rider Program's best interest.

Knowing that as an Area VIII Young Rider, I also serve as an Ambassador for my sport, USEF, and Area VIII and my country, I will endeavor at all times to reflect credit on them through my conduct, dress, and behavior.

I clearly acknowledge my responsibility to ensure that my family, friends, grooms, etc. who accompany me whenever I am participating, competing, and/or representing Area VIII also abide by this Code of Conduct and Guidelines and Rules below.

I understand and accept that serious or repeated transgressions of this Code may be grounds for suspension from a team or consideration to be on a team or even participating in any Area VIII NAJYRC preparation or training. In addition, I agree to abide by selection procedures established by Area VIII wherever applicable.

Finally, I fully understand that I will not will be considered for NAJYRC team or individual competition and my Letter of Intent will not be accepted until this Code of Conduct and Guidelines form is read, signed, and completed in full.

GUIDELINES AND RULES FOR NAJYRC QUALIFICATION AND PARTICIPATION

While qualification and participation in the North American Junior & Young Rider Championships and other Young Rider activities is an integral part of the Area VIII Young Rider Program, the development of a TEAM approach and participation for all is the ultimate goal. It is a privilege to be a part of the Young Rider program and in this program, safety is a primary concern and the health and welfare of the horse is of paramount concern.

As this is a **TEAM** program, all activities are promoted through a team approach; that team includes riders, grooms, veterinary staff, coaches, instructors, selectors, coordinators, and all Area staff; as well as sponsors, donors, and venue management. An element of camaraderie, cooperation, and respect for each member of the team shall be deemed essential to the success of the team and all its activities. Any conduct, speech or statement, presentation, or violation of rules and regulations established by authority which impacts the TEAM mission of the program, that creates a negative environment, that threatens, diminishes, or devalues the integrity of the team, the Young Rider Program, and any of its individual members will not be tolerated and may be subject to disciplinary action.

This conduct shall include:

- disrespectful language, attitude, or words to or about any other member of the team
- the use of social media to express any discontent or anger towards the program or any member of the team

- any physical act or disobedience that disrupts due process or which is prohibited by law, including but not limited to theft, acts of dishonesty, or the possession or consumption of age-restricted products by minors, or illegal substances by any part.
- use of any language and/or accompanying gesture that may be offensive to any other party
- the wearing of any attire or lack of attire deemed dangerous, offensive or inappropriate by Area staff or supervisor
- putting a public stain on the Area VIII program by sharing any internal problems or grievances, etc. with external organizations, individuals, USEA National office, etc.; only Area VIII staff and council can forward grievances and concerns to the National office.

Violation of USEA or Area rules and guidelines, including Area Financial Guidelines, USEF, FEI, and venue rules will not be tolerated. Lack of understanding or familiarity with rules is not considered an excuse for non-compliance.

No party or rider may create or endorse any Young Rider fundraising or other activity that is not offered to and applied equally to all participants and other qualified parties.

Disciplinary action will be determined by the Area Chairman, in consultation with Area Council, and may include restriction or expulsion from individual activities or the Program in its entirety.

OTHER GUIDELINES FOR NAJYRC PARTICIPATION

After possible NAJYRC candidates turn in their Letters of Intent to Area YR Coordinators in January, they must keep Coaches, Coordinators, and Selectors apprised of their proposed competition schedule from Letter of Intent date until NAJYRC competition (unless, of course, they withdraw their name from team consideration); updating that schedule as changes are made, discussing possible competition schedules with their personal trainer as well as Area coaching/selector staff.

As a NAJYRC candidate, young riders must put their personal safety and the welfare of their horse(s) first and foremost in planning their competition schedule and attempting their qualifications for NAJYRC participation.

As a NAJYRC candidate, young riders must understand the sponsorship process and take personal responsibility for acknowledging, showing appreciation, supporting, and promoting those companies, businesses, and individuals that donate products, time, and/or funds to the program.
